Jim,
I am trying to get a continuance on this case. I was set up on very short notice and I haven't been able to secure the appearance of my police witnesses. I don't think this will be a trial, but I wanted to give you a heads up anyway.

Hi Tim,
I am on call for Pittsfield District Court for ADA Joseph Yorlano. If possible I will try to make both cases.

Rebecca, James,

I have a case with defendant [REDACTED] that was set up for trial tomorrow without my knowledge. The drug certs list you both as chemists on this case: James for [REDACTED] and Rebecca for [REDACTED]. I am trying to get officers from West Springfield Summonsed in so I at least wanted to make you aware of this case.
